Important News Regarding Trash/Recycling

HOLY HECK! (Or "OH GEEPERS!" if I let my Minnesota show.) What a year for cardboard and disposables! Waste Management has finally called us out on the terms of our contract. For the last several years we were each only supposed to have picked up whatever fit in our 96 gallon trash cart plus one 18 gallon recycle bin. As we all know, MANY have exceeded that each and every week without being billed.

Things have changed and so must we. They are now willing to provide us with matching recycle carts (96 gallon) but ALL items (including flattened cardboard) must be inside the cart. If you wish to keep your one smaller 18 gallon bin, please do NOT put anything else next to it.

Our trash service remains one of the best deals in the valley, so let's work together to not overwork their crew or over fill their trucks. Recycling only goes so far.....don't forget to "reduce!"

Please send me an email if you still need a recycle cart (free of charge.) One will be delivered to you. They do NOT want the recycle bins back, so you may repurpose it.

Fire Safety Reminder

When it snows it is the responsibility of all neighbors to keep snow removed from all the way around hydrants. A 4 foot clearance will make it easier for firefighters to attach hoses. Joe and Mauro help with this but don't always get to them quickly after a big snow fall. Please do your part. The property it saves could be yours.

NO STREET PARKING

We have asked the sheriff's department to issue tickets on vehicles parked on the streets within Blue Lake. These vehicles create an obstacle to thorough snow plowing. Ice dams then make our streets and sidewalks treacherous. If you need leniency for any reason, please call Eagle County Sheriff's non-emergency line at 970-479-2201.

ONE AIRPOD FOUND.
Call the office to claim.

Board Meeting

Our meetings are now virtual on the second Tuesday of each month beginning at 6:30pm. If you'd like to be included, send Gina an email and she will send an invitation.

Storage Reminder

Please make sure your stored items display current registration and get a copy of the new registration to the office. Failure to do this may result in eviction. We have a long waiting list of people who want your space.

New Total Due

Please see your statement for the new monthly total of dues, capital reserve deposit, and trash service. Adjust your monthly payments accordingly.

Thanks!

Bonfire Success

Thanks to Community Health Initiative's generous grant for our bonfire! It was fun to see everyone enjoying an evening of community togetherness. We are going to make this an annual event and so mark your calendar for next December. 18th
