Crazy Times Got You Cranky?

It's well documented that those who know their neighbors are happier and feel more secure. Let's keep our hood civil by being considerate during these otherwise crazy times. A friendly smile and "hello" can go a long way to making a community feel safe and strong.

As our beautiful climate draws us outside and cool evening breezes make us open our windows, please consider those around you. Keep music levels down and refer to our construction noise rules. Late night noisy parties are mostly just annoying, as are barking dogs. Your little angel might not like it when you leave him/her alone. Talk to those around you. Ask if your dog is ever a problem.

The board has asked for strict enforcement for the way properties are maintained. Look around your yard to see what might be unsightly to a neighbor. When in doubt, just put it away! Enforcement of our covenants is ramping up, so avoid those nasty-grams and tidy up.

Lawn Maintenance is NOT Optional

Owning a home in Blue Lake has lots of benefits. Having lawns that look neat and tidy is one of them. If you don't like doing it yourself, there are many reputable professional lawn services in the area., and it's not as expensive as you might think. They are willing to customize a plan for your lawn and keep you from receiving nasty-grams from the HOA. Our office also maintains a list of kids wanting to earn some money. Call or send an email to request it.

Good Earth 963-5900

Daly Property 927-2430

DCM Multi Services 948-0830

Fear of weed control chemicals is no excuse not to control them. Mowing may be required more frequently. Fines will be assessed if more than one violation notice is sent.

If you're tired of the whole water, mow, water, mow cycle, xeriscape landscaping plans can be approved, but vegetation is required.

Next Board Meeting

Tuesday, June 9th at 6:30. At this time we believe the meeting size will be limited. Please look for the agenda on our website and email us by 6/8 if you'd like to be included.

What's Worse?

There have been several complaints about dogs off leash in the neighborhood. They are getting into picnics, entering homes, and knocking over kids at the beach. What's worse is the humans who are oblivious. PLEASE don't be one of them!

Community Garage Sale June 20-21

Planning for Construction?

In order to allow peaceful enjoyment of common space and individual properties, loud construction shall be limited to the following hours:

Monday - Friday 7:00 am to 7:00 pm

Saturday 8:00 am to 5:00 pm Sunday 10:00 am to 4:00 pm

Fire Safety Alerts

The last thing we need is another threat to our valley. Please pay attention to any fire bans in the area. NO FIREWORKS that leave the ground EV-ER!
