Save \$\$\$\$

Blue Lake budgeted \$2800 this year just for postage. Imagine the impact on that number if everyone signed up to receive their monthly mailing via email. Now consider the cost of paper, copies, & envelopes. If you'd like to contribute to the savings, please send an email to the office...it's that easy. You don't need to print anything...ever. Thanks!

Santa's On Vacation

We all know it's been a long cold winter, but now that we're getting some nicer days, *please* take the time to remove your Christmas decorations from your yard. Many of your neighbors are getting annoyed that the holiday starts in October and is still going in February or March. Thanks!

Parking Rules

Please remember that the county can and will enforce no street parking within Blue Lake from November 1 thru May 1. Tickets have been issued.

Next Board Meeting:

March 8th at 6:30. All are welcome and encouraged to attend.

Gate Code: 8411#

Blue Lake Handyman

Honey-do list specialist. No job too big or too small. Construction; carpentry; dry-wall; painting; roofing; certified hot tub service technician. Call Russel 379-5343.

Garage Sale

May 21 & 22

(Start cleaning out those closets now!)

Keep Pets Safe

Last month there was a very unfortunate incident between 3 dogs. One of them was mortally wounded by the others. There have also been instances of cats killed by fox, coyote, and birds of prey. Please keep your animals contained in your yard and under your control at all times when out in the neighborhood.

Volunteer Clean Up Day

Once again we will be organizing volunteers to "spring clean" the common areas (including the hillside up to the water tank) and the ditches of Highway 82 adjacent to Blue Lake. Bring your work gloves and meet at the office at 10am on April 9th. Call the office if you'd like to help so we can plan lunch for all the volunteers. Child labor laws **do not** apply and kids are welcome to help out!

Summer Sailing Program

Designed for sailors ages 10-18 who have a desire to learn the basics of sailing small boats. The course includes knot tying, rigging Lasers and Force 5's, "rules of the road", and basic sailing and racing techniques. Our philosophy is for kids to learn to sail safely, effectively, and have a lot of fun doing it. Instructor is US Sailing certified.

Each session will hold a maximum of 8 sailors and runs one week, everyday from 1:00 – 4:00 at Blue Lake.

Session 1: July 11-15

Session 2: July 18-22

Session 3 August 8-12

Session 4 August 15-19

The cost per session is \$150.

-includes instruction, basic sailing guide book and T shirt. Blue Lake residents will receive registration priority and a \$50 rebate at the end of the session. Please contact Bill Miller at bluejay_67@yahoo.com or 309-1230 ASAP. Registration will open to the general public soon.
