Vacancy on the Board

At the November meeting the board will welcome at least one new member. If you are interested in having an impact on our little piece of heaven, this is a great opportunity to volunteer. The board meets once a month for a couple of hours. Call the office if you have questions.

Reminder

No parking on streets in Blue Lake

November 1-May 1

No Parking on JW Drive

Due to repeated damage to our irrigation system, the board has worked with Eagle County to prohibit all parking year round on JW Drive from Hwy 82 to the intersection at Deer Run/Badger Road. Signs will be up by Nov. 15th and the sheriff's department has agreed to ticket all violators starting Dec. 1st. Spread the word.

Trying to Please Everyone

The board got conflicting requests regarding dues for 2012. Some want no increase; some want small annual increases to avoid big ones in the future. After lots of number crunching, a compromise was reached by raising dues \$1/month with an available \$1/month discount if an owner receives their Bugle, statement and minutes via email. So save yourself a buck and send us an email.

Big Thanks!

Mike Glen recently resigned from our board of directors. We'd like to thank him for his year of service. His business sense and practicality were much appreciated. He was one of those voices that we only heard when he had something important to say. If only there were more politicians like him...

Winter Safety Consideration

Although Joe Meade eventually makes sure all hydrants are not buried in the snow, please share this important responsibility with your neighbors after fresh snow falls. The home it saves could be yours.

Happy Thanksgiving!!!

Twas the night of Thanksgiving, but I just couldn't sleep.
I tried counting backwards, I tried counting sheep.
The leftovers beckoned, the dark meat and white.
But I fought the temptation with all of my might.

Tossing and turning with anticipation,
The thought of a snack became infatuation.
So I raced to the kitchen, flung open the door
And gazed at the fridge, full of goodies galore.

I gobbled up turkey and buttered potatoes,
Pickles and carrots, beans and tomatoes.
I felt myself swelling so plump and so round
"Til all of a sudden...I rose off the ground.

I crashed through the ceiling, floating into the sky
With a mouthful of pudding and a handful of pie.
But, I managed to yell as I soared past the trees...
Happy Eating To All.. Pass The Cranberries, Please.

May your stuffing be tasty, your turkey be plump.
May your potatoes n' gravy have nary a lump.
May your yams be delicious.. may your pies take the prize.
MAY YOUR THANKSGIVING DINNER STAY OFF OF YOUR THIGHS!
