BUGLE

Blue Lake Owner's Association

0189 JW Drive, Suite A

Carbondale, CO 81623

Phone: 963-1300 Fax: 963-8411

Email: bloa@sopris.net

Website: www.bluelakehoa.com

Leaf Disposal Options

Waste Management will take up to 10 bags of leaves per household at no charge on November 6th. These leaves will go to the landfill, and NOT be composted. Please do not make the bags too heavy as their guys will need to load them manually onto the truck. Additional bags will cost you and be billed by Waste Management.

There are also free drop sites which WILL be composted:

- Across from town hall in Carbondale
- At Willits rugby field on weekends from 9-5

Next Board Meeting

Tuesday, November 7th at 6:30 PM in the office building. We encourage owners and residents to attend and stay informed of what is happening in the neighborhood.

Thank You Wendy and Loren

One of our greatest assets in Blue Lake is the dedicated Board of Directors. Wendy Brez-Dahl has served for 4 years and Loren Wilder for 1 year. Their expertise in various areas has been very valuable. Please help us in thanking them for their service.

NO STREET PARKING

Nov. 1- May 1

This rule is enforced by Eagle County and our board has asked for strict enforcement regardless of snow amounts. Please call the sheriff's department if you are hosting a get together and need temporary leniency. 970-479-2201

Boats at Lake

The deadline for removal is now past. Remaining boats may be impounded. A fee will be charged to reclaim boats. Boats not claimed may be disposed.

Trash Containment

This is the time of year when skunks, raccoons, coyotes, bears, and birds tend to show up hungry in our neighborhood. Please make sure your trash isn't available to them. Only put your containers at the curb on Monday mornings.

Missing a Ford or Volvo Key Fob?

Two fobs have been turned in to the office. Call to claim.

Update Contact Information

As times have changed, many of you have given up landlines or gotten new cell numbers or email addresses. Please contact the office to keep your information accurate.

Especially if you live alone, it may be beneficial to have your emergency contact information in the association records too. Neighbors watching out for neighbors is one of the great benefits of living in a place like Blue Lake. State laws do not allow the association to share your contact information, so you won't end up on weird mailing or call lists from sharing with us.
