An Evening of Energy

Blue Lake owners are invited to an informational meeting on September 23rd at 6:30-8:30 about energy efficiency and renewable energy. Presenters from CORE, City of Aspen, Energy Star, SunPower and SunSense and experts on energy efficiency and building performance will round out the evening. There are currently many incentives for homeowners to make improvements to their homes. Tax credits and rebates can be confusing. This meeting will simplify these steps, and potentially get volume discounts for Blue Lake homeowners. Having an energy audit done on your home is easier than ever, and you can be reimbursed for the entire cost by saving yourself money on energy bills. This all sounds too good to be true, but come to the meeting to see for yourself. Food and refreshments will be served.

Watch your front door for a brochure to be distributed next week. Location for this meeting will be on the brochure. Hope you can join us!

Website Updated

Our website has been updated to conform with state mandated requirements. Check it out at www.bluelakehoa.com. It's loaded with our governing documents, policies and procedures, agendas, minutes, Bugles, and other timely information important to the neighborhood.

Currently the only information on the "Member Page" is the gate and bathroom code. In the future we can use it for informal surveys.

Path Construction at Lake

The section of bike path on the south side of the lake will be undergoing construction sometime in September or October. Mid Valley Metro is contracting to have the area beefed up to accommodate the weight of their trucks for future construction at their facility. Please keep children a safe distance from work areas. Sorry for the inconvenience!

Need Extra Cash?

 If you have empty garage space, and are interested in renting out space, we have a list of homeowners waiting for storage space. Call the office for more information. Boats, RVs, trailers, etc. are **not** to be stored on driveways, streets, yards, etc.

Now Hiring!

Roaring Fork School District is hiring bus drivers for local routes. Training provided. Blue Lake kids and parents will think you're a hero!  Call Larry Estrada at RFSD Transportation 384-5780.

Alert from Sheriff's Department

Our office received notice that 7 homeowners in Blue Lake have had items stolen from unlocked vehicles. Please lock your vehicles and do not leave valuables visible inside.  "Crimes of opportunity" are on the rise!
